NOTES

*P&R - (Parks & Rec) - Classes must be registered through Howard County and classes are usually 6-12 weeks (not included in our spring recital.)

Cecchetti ballet "grades" are not school grades, but rather levels for this type of graded system of ballet. Grade 1 usually begins at 8 or 9 years old. Please contact us for correct Cecchetti placement.

Company classes are open to all dancers in that age level but are non-performance classes.
