

Online/Live Summer Dance Classes

ON-"LIVE"

On-"Live" CLASS SESSIONS:

Monday, July 6 - Saturday, August 8

DC On-"Live" is designed to keep your dancer moving during this time where we cannot be physically together in the studio. Our live classes are interactive and fun. Instructors have been working and training to make our online classes individualized, entertaining, interactive and fun!! For our younger group, the use of special weekly themes, games, props, scavenger hunts, obstacle courses and more keep classes fresh, new and exciting. For our older dancers, keeping up with technique, the use of breakout rooms for peer interaction, and individualized goal setting will help dancers to stay focused and energized during class. While we all can't wait to be back together in the studio, zoom classes will keep us moving and connected.

On-"Live" CLASS SCHEDULE
